

Landlord Connection

Landlord portal

Did you know that the Landlord portal is not just to verify how much rent was paid each month! It can also be used to verify payment holds, units that are receiving subsidy, Inspection details and contact information for each client's caseworker.

If you are having issues logging in please call us 801-284-4484 or email DeDawn at ddeegan@housingconnect.org. Thank you.

GoSection8 is our new online waiting list for the Section 8 Housing Choice Voucher program. Once a family has a voucher, if you have listed your vacancy with us, it can help match you to a potential client.
