Section 1: Introduction

Navigating new places and unfamiliar systems can be difficult and stressful. Housing Connect understands that you want what's best for your family. We know that education provides a strong foundation for present and future opportunities. Education plays a vital role in children's development so it is important that you as the parent, have the tools you need to support your children on their educational journey. This packet is designed to help you navigate the high school system through Canyon School District.

If you have questions or need assistance on anything in this packet, feel free to reach out to the Youth and Family Services Manager at 801-882-5582 or cmeyers@housingconnect.org.

Section 2: Determining Boundaries

If you are new to an area or your child is just entering the school system, you may be unsure of which school they are supposed to attend. The steps below will help you determine which school district your family lives in and the schools that are assigned to those boundaries. Once you have determined your boundaries, you can decide if you want to enroll your child at their “home” school or get a permit for them to attend a school outside of those boundaries. Find information on special permits on page 14

Find your school district:

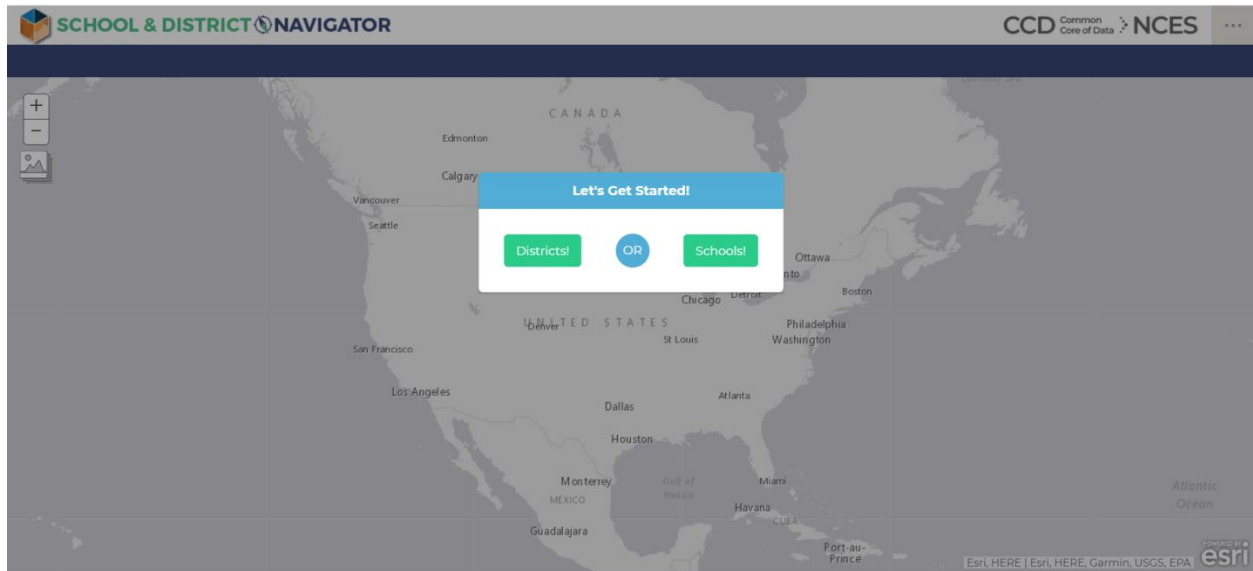

Unfortunately, there is not a single state run website that allows people to determine which school district’s boundaries they live in. However these are steps you can take to narrow your search.

1. Go to: <https://nces.ed.gov/ccd/districtsearch/>

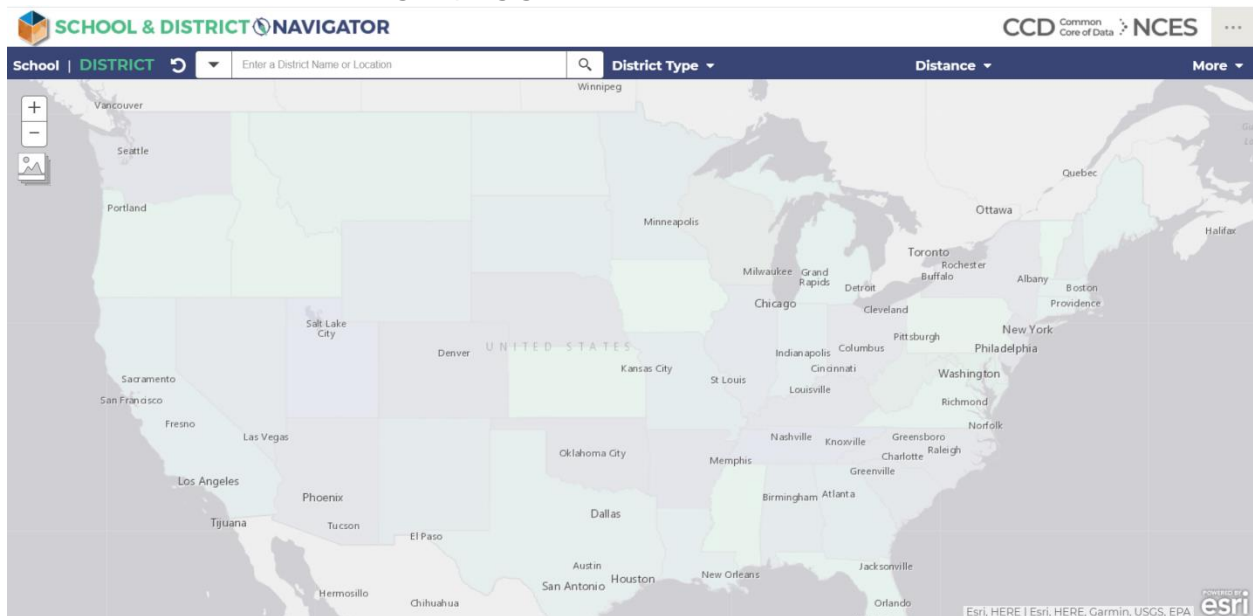

2. Click on the words “School & District Navigator”

The screenshot shows the 'Search for Public School Districts' page on the NCES website. The page has a dark header with the IES NCES logo and a search bar. Below the header, there's a navigation bar with 'School & District Navigator' highlighted. The main content area contains a search form with the following fields: District Name, Street Address, City, State (dropdown), Zip Code, and Phone Number. There are also checkboxes for District Types: regular, component, supervisory union, regional, state, federal, charter, and other. Below these are dropdowns for Number of Students and Number of Schools. A 'Search' button is located to the right of the form. A 'SEARCH TIP' is provided on the right side of the form. The footer of the page contains links to 'Explore the Institute of Education Sciences', 'IES Policies and Standards', and 'Additional Resources'.

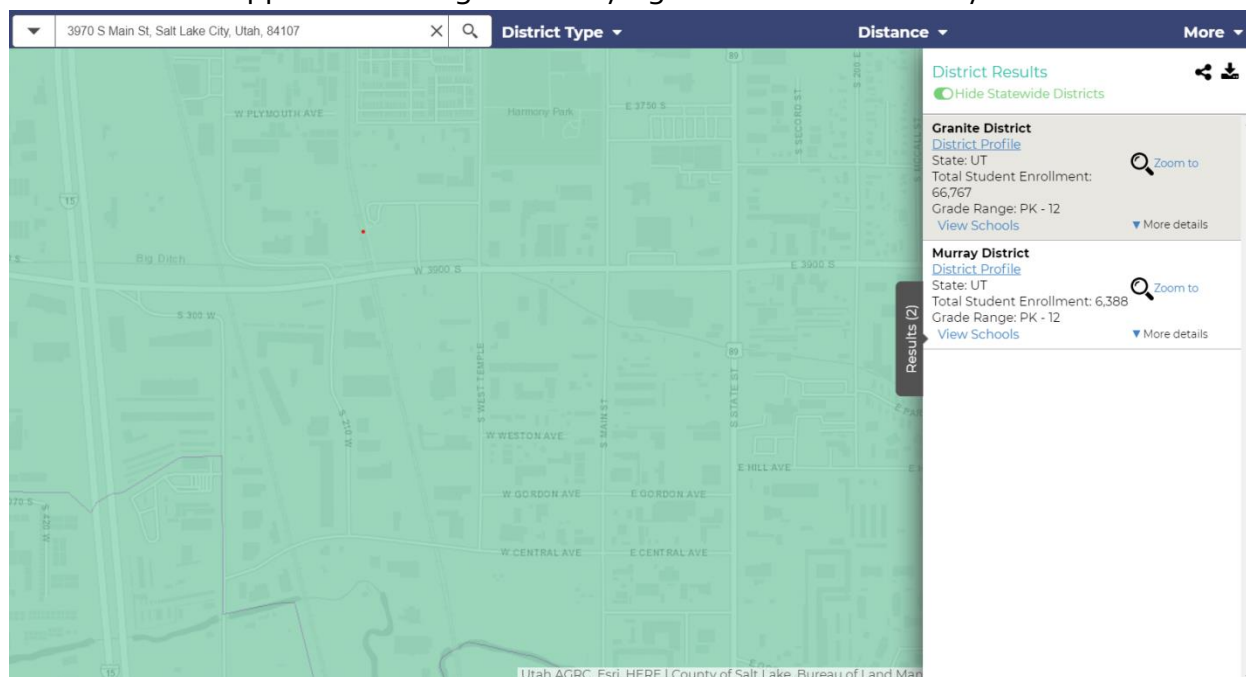

3. On the “Let’s get started tab click on the left green button labeled “Districts”

4. In the search bar, type in your home address and press the search button. (The search button is marked with a magnifying glass)

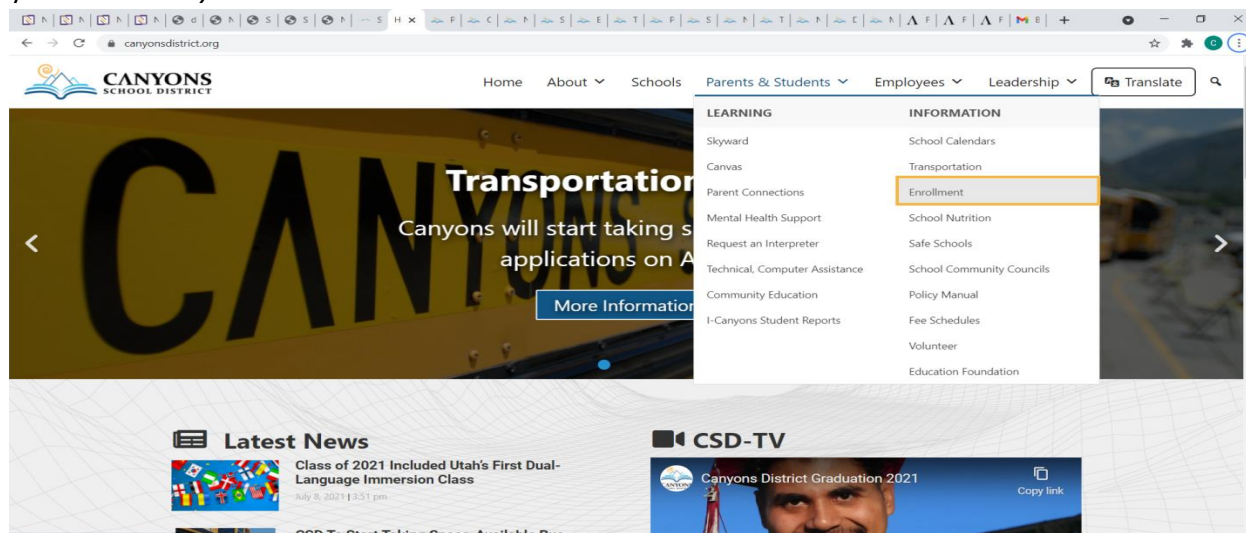

5. A box should appear on the right identifying which school district you live in.

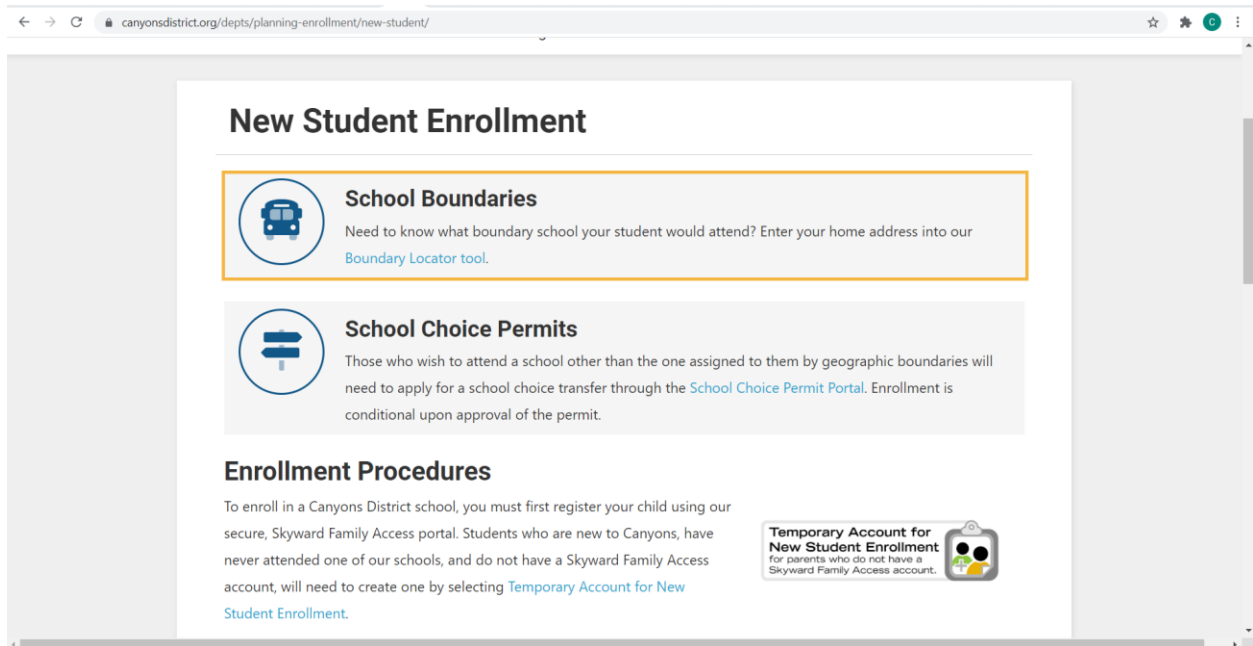

Sometimes, the website may pull up more than one eligible district, if this happens going to the potential districts websites and utilizing their school search tools is the best option.

Find your school

In order to determine which school boundaries you live in, open any web browser and navigate to: <https://www.canyonsdistrict.org/> From there hover your mouse over where it says “Parents and Students”, click where it says enrollment. (Highlighted in yellow below).

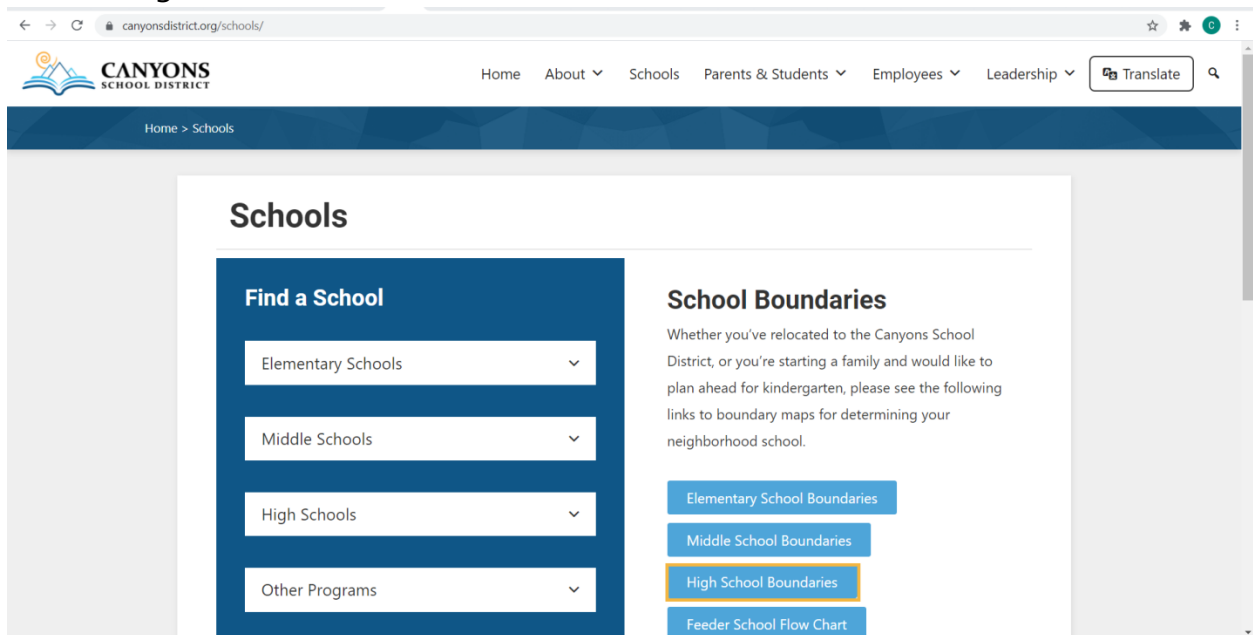

You should then click where it says “Boundary Locator Tool”.

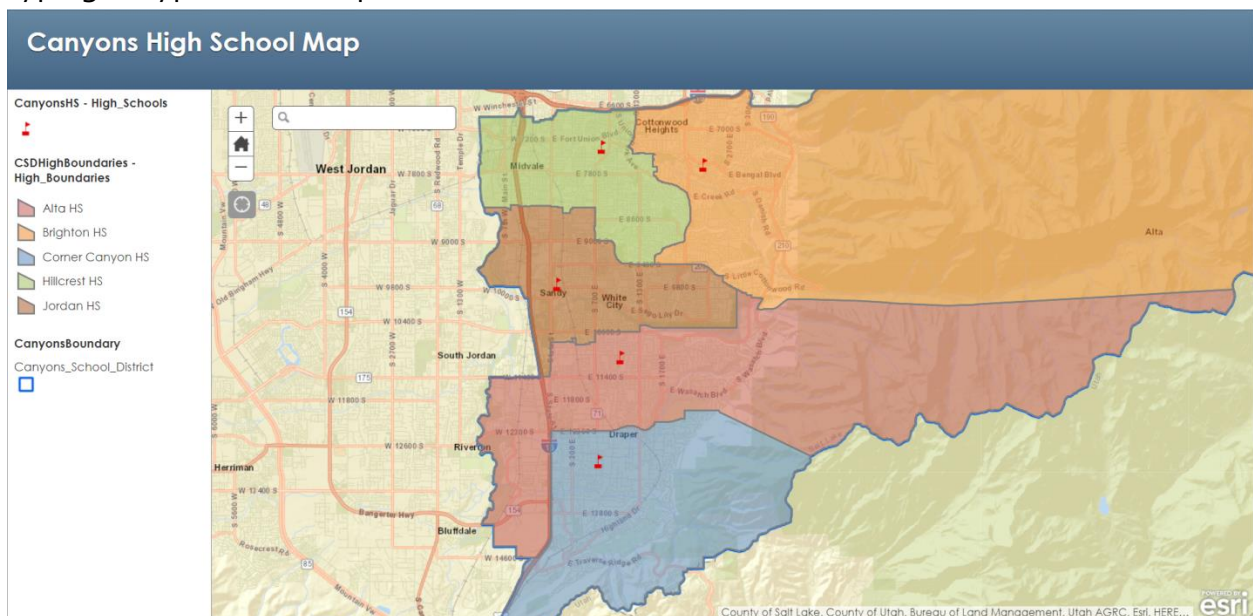

Clicking this will bring up a screen that allows you to search within the boundaries of the elementary schools, middle schools and high schools.

Click on High School Boundaries

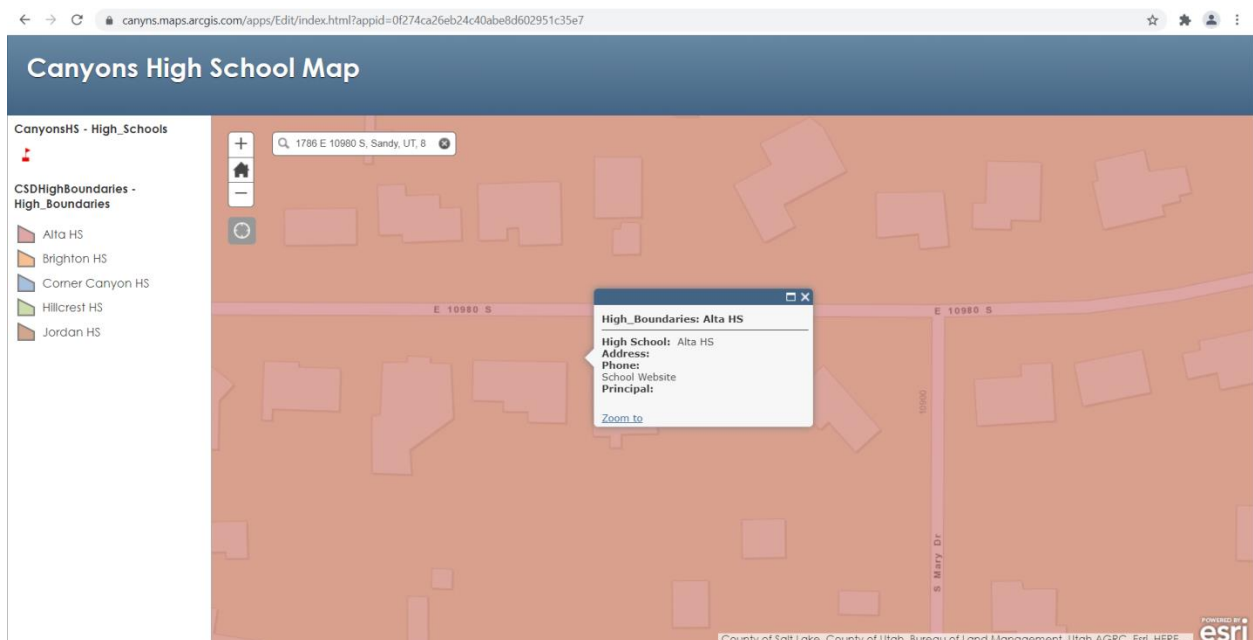

Doing this will bring up a large map of the school district’s high school boundaries. Enter your address into the search bar, you can either click on it when it appears as you are

typing or type it out and press enter.

It will then zoom in to your house's location inside one of the school boundaries.

If it is unclear what boundaries you live in, zoom out and then click on the colored shape that your house is in. A white box will appear telling you the school name, its address, main office phone number and the principal's name.

To help you determine if you would like your child to attend their “home” School, check out www.greatschools.org.

From this website, you can input your address and see the schools closest to you by rating. The rating a school receives is the summary of the calculation of four ratings designed to show different areas of school success: student or academic progress, college readiness, equality and test scores. Student progress measures whether students are improving over time on an individual level and academic progress measures whether the school is improving as a whole using school level data. College readiness measures how well high schools are preparing their students for success in college and careers. The rating is based on high school graduation rates, SAT and ACT performance and advanced course information. The Equity Rating is designed to measure how well a school serves the academic development of disadvantaged students and is measured by progress gaps between disadvantaged students and non-disadvantaged students, how disadvantaged students are performing based on student progress, academic progress and college and career readiness. The testing score measures academic proficiency using state test scores across grades and subjects. Together the ratings make up a score from 1-10 (1 being the lowest and 10 the highest).

Section 3: Enrollment

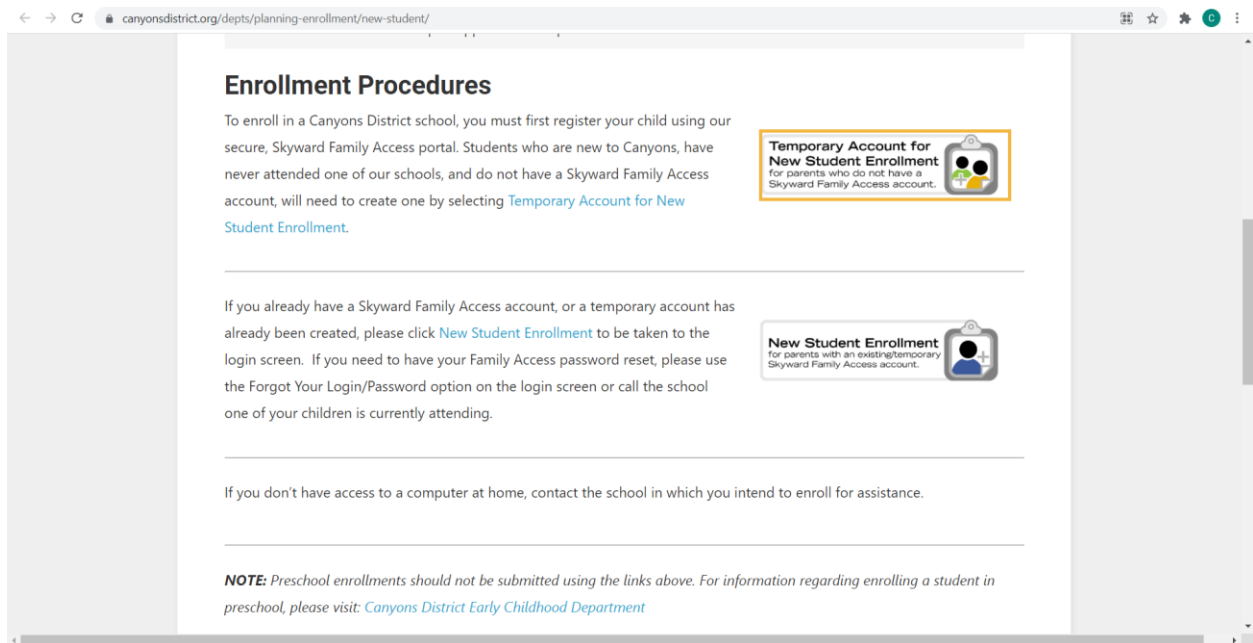

Now that you have decided which school you would like your child to attend, it is time to enroll them.

The Canyon School District is no longer accepting paper applications. You will need to be ready to upload copies of:

- Your child's original or certified birth certificate
- a proof of residency
- immunization records or authorized exemption during the enrollment process.

To enroll you will first need to register your child on Skyward, Canyons School District's Family Access program: <https://www.canyonsdistrict.org/depts/planning-enrollment/new-student/>

Click: "Temporary Account for New Student Enrollment"

Doing so will take you here, which will allow you to create an account. So that you can register your students.

New Student Enrollment: Account Request

This form is the first step to enrolling your new student online. Complete it to request an account that you will use to log in to a secure Online Enrollment system.

If you already have a Skyward Family Access account, please login to Skyward Online Enrollment at <https://student.canyonsdistrict.org/scripts/wsisa.dll?WSservice=wsEPlus/sfemnu01.w> and complete an enrollment application for your new student(s).

Your Submitted Enrollment Applications

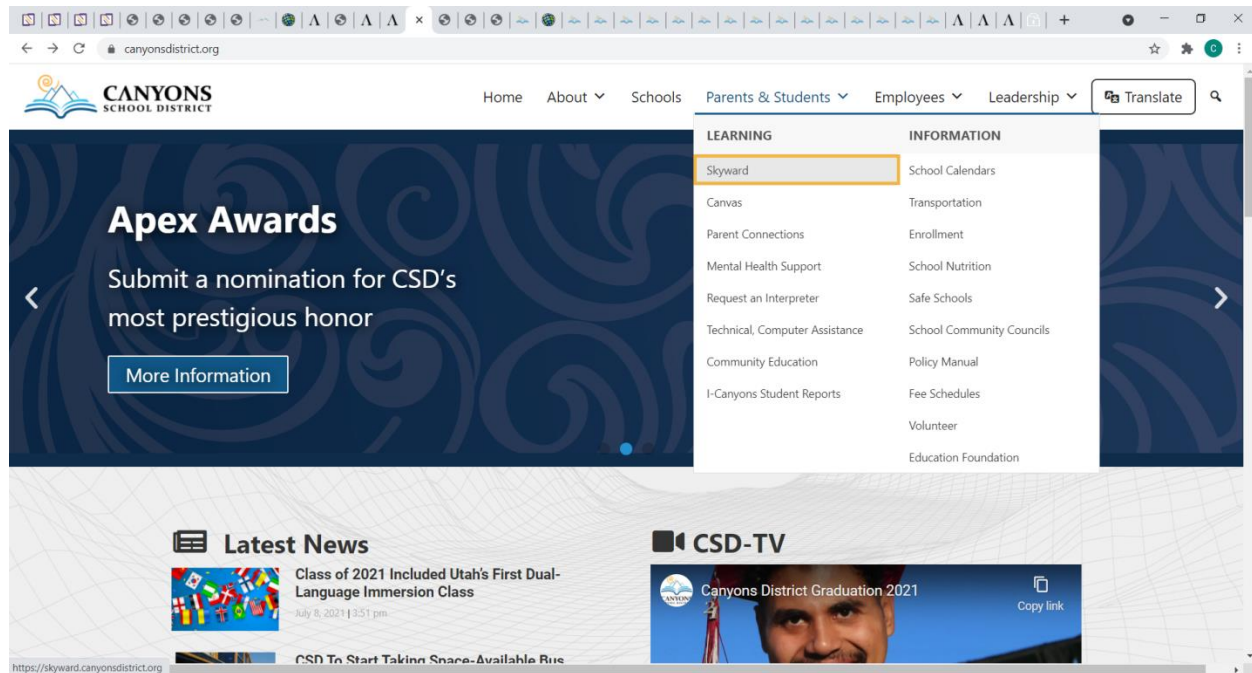

There are no submitted enrollment applications to list.

You will use this process to enroll students from Kindergarten through 12th grade. As you register your children you will be able to choose which grade they are being registered for.

Enrolling a returning student:

In order to enroll a returning student for the proceeding school year, you will need to access your Skyward Account and login to the “Family/Student Access” area.

To do this, open any web browser and navigate to: <https://www.canyonsdistrict.org/>
Next, you should hover your cursor over where it says “Parents & Students”, when the drop down menu appears click where it says “Skyward”. This is highlighted in Yellow below

This will bring you to the login screen for Skyward. Enter your username and password. If you do not remember your username and password there is an option to recover it below where you put your password. Make sure to set the login area to Family/Student Access.

The image is a screenshot of a web browser displaying the login page for the Canyons School District's Skyward system. At the top, the browser's address bar shows the URL "student.canyonsdistrict.org/scripts/wsisa.dll/WSservice=wsEPlus/sfemnu01.w". The page header features the Canyons School District logo, which includes a stylized mountain and sun icon next to the text "CANYONS SCHOOL DISTRICT". Below the header is a central white box containing the "SKYWARD" logo and the text "Canyons School District Student Production". Inside this box, there are input fields for "Login ID:" (containing "thecolfuler21@gmail.com") and "Password:". A "Sign In" button is positioned below the password field. A link for "Forgot your Login/Password?" is located below the "Sign In" button. A timestamp "05.21.06.00.02" is visible in the bottom right corner of the white box. Below the white box, there is a "Login Area:" label followed by a dropdown menu currently set to "Family/Student Access". At the very bottom of the page, there is a small block of text providing contact information for questions about logging into Skyward Family Access and navigating through online registration, including a phone number (801-426-5525) and a reference to the student's school.

After you have logged on, navigate to where it says “online registration” during the registration period (which is typically the first week in August). You will then be able to register your student’s at the schools you identified as your boundary school or any school that your open enrollment application was accepted in.

You will use this process to enroll students from Kindergarten through 12th grade.

School Choice Permit:

If you want to enroll your student in a school outside of your boundaries, you must file a request for a School Choice Permit online. If you do not have internet access at home, public libraries are an excellent resource to use.

You can find the online application here:

<https://www.canyonsdistrict.org/depts/planning-enrollment/open-enrollment-school-choice/>

Canyon School District is no longer accepting paper copies of this application.

An application for a permit is considered during two separate permit windows:

- December 1st through the 3rd Friday in February is the early enrollment period, and gives you the highest chance of acceptance
- After the 3rd Friday in February: Permits are considered based on the staff to student ratios, on a first come first serve basis

Once an application has been accepted, you do not need to reapply each year. You only need to reapply when your child has moved on from one level of schooling (i.e. from elementary school to middle school or from middle school to high school), your child is expelled or suspended, or the District determines that enrollment has exceeded the capacity of that school.

After your application has been submitted the school will reply within 30 days. If your application has been accepted, you will receive an email telling you so. You will then have 10 days to confirm that you want your child to attend that school. The school will send you up to 3 emails reminding you to confirm, if you do not confirm it within the 10 day window you will need to reapply for a permit to that school. Once you confirm the acceptance, you will still need to enroll at the school via the online portal.

If you enroll at a school outside of your boundaries, you will be responsible for transporting your children to and from the school. **The school district does not provide bussing for students enrolled in school's outside of their boundaries**

Section 4: Resources

Now that you child(ren) are enrolled, there are resources that may be available to you through Canyons School District:

Immunization exemptions:

To receive a vaccination exemption form, the legally responsible individual who claims the exemption for the student must complete the online immunization education module. The education module can be accessed by going to:

<https://immunize.utah.gov/immunization-education-module/>. After the successful completion of the module you will be emailed a vaccination exemption form that you need to fill out and turn into the school.

Free and Reduced Lunch:

To apply for Free & Reduced price meals, complete the application here:

<https://www.canyonsdistrict.org/depts/nutrition-services/free-and-reduced-application/>

You only need to fill out one application for your household. After you have filled out the application you will need to have your children turn it in at their school. It can be given to your school's kitchen manager, nutrition department or the main office. You can fill out an application at any point during the school year, but it is best to fill it out before the start of the school year.

The federal eligibility for Free and Reduced Meals changes each school year. Because of these annual changes, a new application must be submitted each year.

Transportation:

Your child will be eligible for bussing to school, if you live at least 1.5 miles away from your child's boundary school. If you opt to enroll your child in a different school then you are responsible for transporting your child to and from school.

Parents of students who do not qualify for transportation to their boundary school can submit an online application for space-available permits. Canyons will begin accepting those applications at 8 a.m. on Monday, Aug. 2. The online application can be found at <https://buspermits.canyonsdistrict.org/#/start>

If you do not have access to a computer or the internet, local libraries are a good resource to utilize. Another option is to go to the office of your child's school, you will be allowed to use the computers being used for online registration there.

If transportation is an issue, the UTA may have routes that will get your children closer to their school. You can buy monthly passes for children 6-17 (or those still attending high school) for reduced rates. The passes can be bought online at: <https://www.rideuta.com/Fares-And-Passes/Buy-A-Pass>. Look for the "Youth Monthly Pass" for local busses and TRAX access and the "Premium Youth Monthly Pass" if your children also need access to the FRONTRUNNER.

[*] - Fee is a deposit that will be refunded once the item is returned

The proceeding table lists the maximum amounts that may be charged per pupil for each activity, class, or athletics participation. Actual fee amounts are determined by your school and can be confirmed on your school's website.

Fee Waivers

Fee waiver applications are available online at:

<https://www.schools.utah.gov/schoolfees?mid=4340&tid=3>

Fee waiver applications and the relevant documentation are to be submitted to your child's principal, for review and approval.

Special Education Services (Section 504 Plans and IEP's)

Section 504 is the part of the Rehabilitation Act of 1973 which applies to persons with disabilities. Section 504 is a civil rights act protecting the civil and constitutional rights of persons with disabilities.

Section 504 states: "No otherwise qualified individual with a disability ... shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to any discrimination under any program or activity receiving Federal financial assistance."

An IEP is an "Individualized Education Plan" It is a legal document that identifies the special education instruction, support and services to help your child succeed in school.

For Special Education Services you may ask any teacher, administrator or counselor to request special educational services or an evaluation.

Once you have made the request, they will provide you with any paperwork and directions to continue the process.

Parent Consultant Serving Families in Canyons School District

Email: aleis@utahparentcenter.org

Office: (801) 826-8192 Cell: (385) 266-1708

The Utah Parent Center has partnered with Canyons School District to provide free assistance to families of children with special educational needs.

If your child has special needs, so do you! The Parent Consultant serving families in Canyons School District offers: training information referrals and assistance

These services are offered to parents through the provision of one-on-one consultations by phone or in person, and group workshops and presentations.

Before school programs:

Currently, all of the high schools in the Canyon school district offer breakfast before school. It is usually served ½ an hour before the first period. You can confirm the hours of your child's school breakfast by visiting the school's website or contacting their main office.

After school programs:

Most schools in the district have multiple after school opportunities be they athletic, artistic, or academic in nature. The best ways to find out about them are to check your school's website and to keep an eye out for information brought home by your children.

Appendix II: School Counselors, Social Workers and Psychologists

Each school in Canyons School District has personnel specifically assigned to help you and your children establish healthy development and create positive boundaries around social, emotional and psychological health. These staff include social workers, school psychologists, speech language pathologists, and more.

Social workers and psychologists can provide counseling while providing social, emotional, and psychological support, they also help with IEP's and other accommodations, and can give referrals to outside resources.

Speech language pathologists help students with communication delays. They can help your children with literacy, fluency, articulation, and social communication issues.

Guidance Counselors help with academic and behavioral challenges.

In addition to the services mentioned above, the school district also provides families with access to Canyons Family Center which offers individual counseling, student support groups and parent education classes. Services are provided at no cost to families in the Canyon School District.

The Canyons Family Center is located inside the Mt. Jordan Middle school at 9351 South Mountaineer Lane, Sandy, UT 84070. It is open from 10:00 a.m. to 3:00 p.m. on Mondays and Thursdays, and from 3:00 p.m. to 9:00 p.m on Tuesdays and Wednesdays. The Canyons Family Center closes briefly during the summer and reopens in September.

Below is a list of all of the service providers within the high schools in the district so you can easily contact them as needed. If a phone number is not listed, please contact your school's main office.
