Section 1: Introduction

Navigating new places and unfamiliar systems can be difficult and stressful. Housing Connect understands that you want what's best for your family. We know that education provides a strong foundation for present and future opportunities. Education plays a vital role in children's development so it is important that you as the parent, have the tools you need to support your children on their educational journey. This packet is designed to help you navigate the middle school system through the School District.

If you have questions or need assistance on anything in this packet, feel free to reach out to the Youth and Family Services Manager at 801-882-5582 or cmeyers@housingconnect.org.

Section 2: Determining Boundaries

If you are new to an area or your child is just entering the school system, you may be unsure of which school they are supposed to attend. The steps below will help you determine which

school district your family lives in and the schools that are assigned to those boundaries. Once you have determined your boundaries, you can decide if you want to enroll your child at their “home” school or get a permit for them to attend a school outside of those boundaries. Find information on special permits on page 14

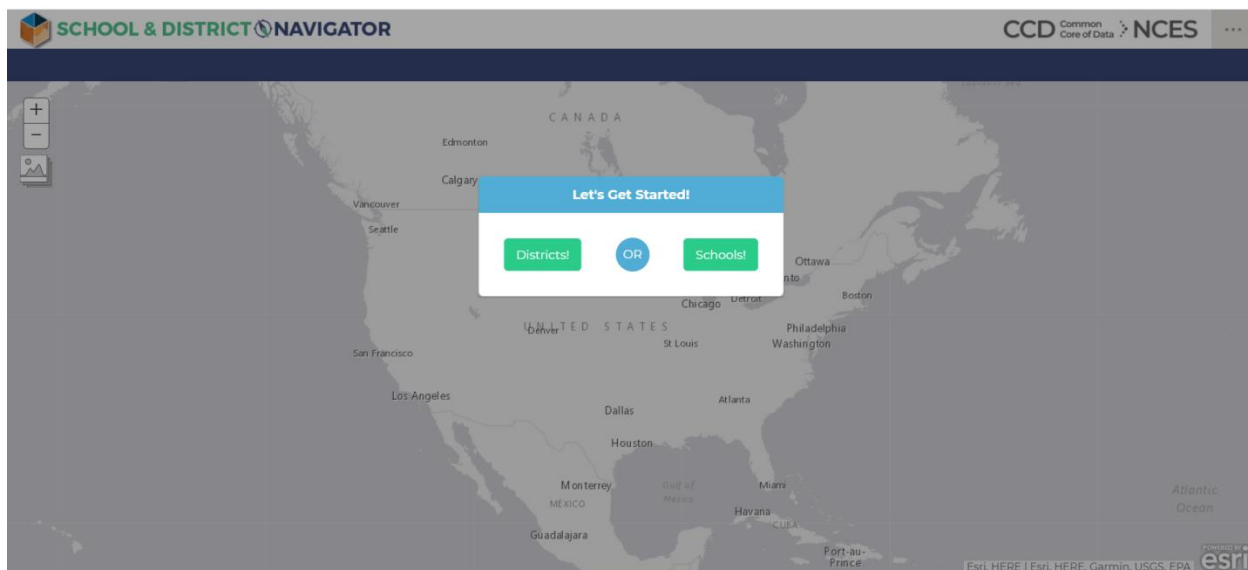

Find your school district:

1. Go to: <https://nces.ed.gov/ccd/districtsearch/>

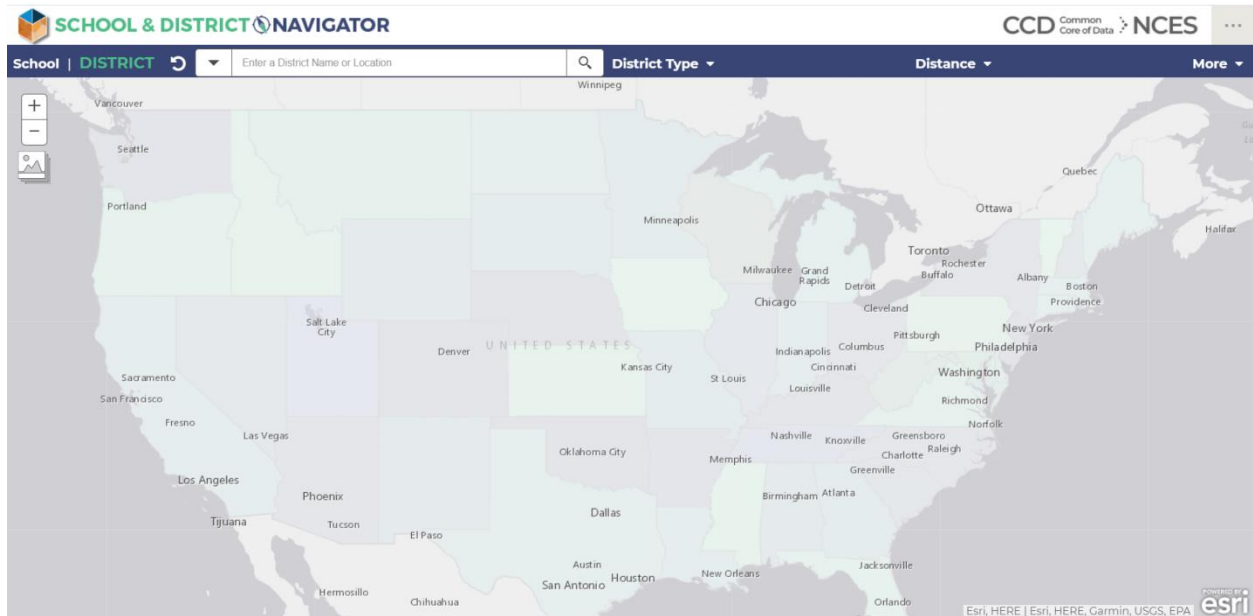

2. Click on the words “School & District Navigator”

The screenshot shows the 'Search for Public School Districts' form on the NCES website. The form is titled 'Search for Public School Districts' and includes a 'MENU' button and a 'Go' button. It has several sections: 'District Information' with fields for District Name, Street Address, City, State, Zip Code, County, and Phone #; 'Additional Characteristics' with checkboxes for District Types (regular, component, supervisory union, regional, state, federal, charter, other) and dropdowns for Number of Students and Number of Schools. There are also search tips and a 'SEARCH TIP' section. The source is cited as 'Source: CCD public school district data for the 2019-2020, 2020-2021 school years'.

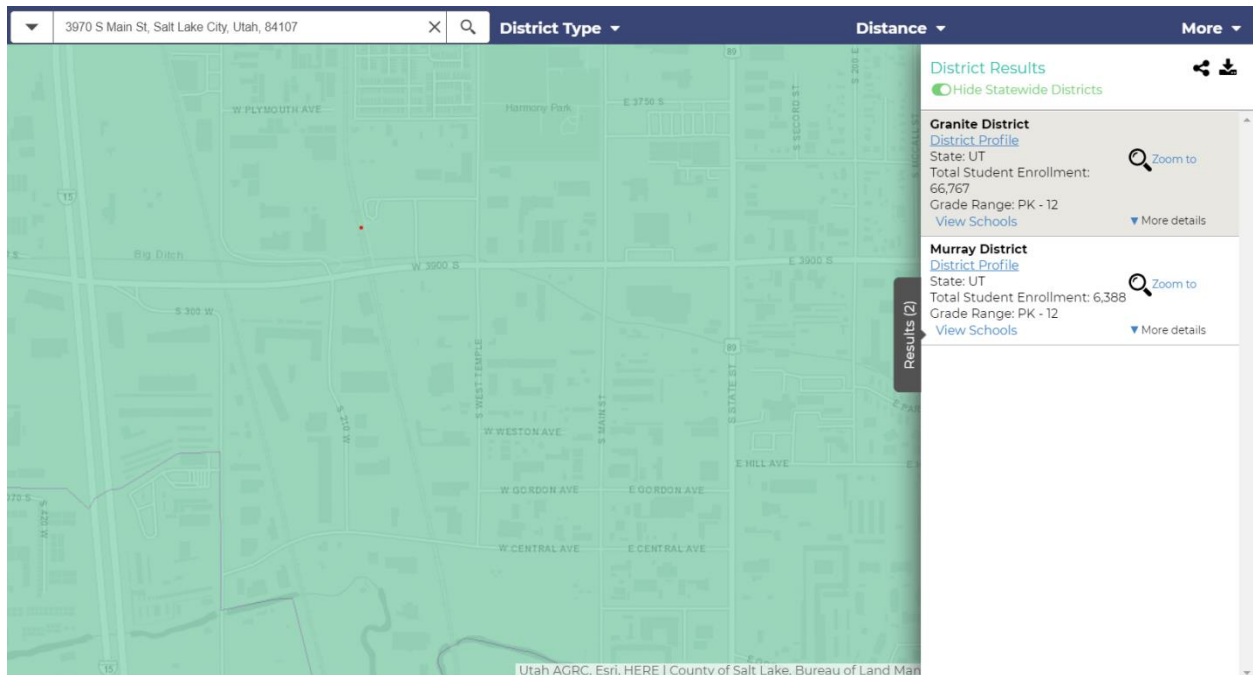

3. On the “Let’s get started tab click on the left green button labeled “Districts”

4. In the search bar, type in your home address and press the search button. (The search button is marked with a magnifying glass)

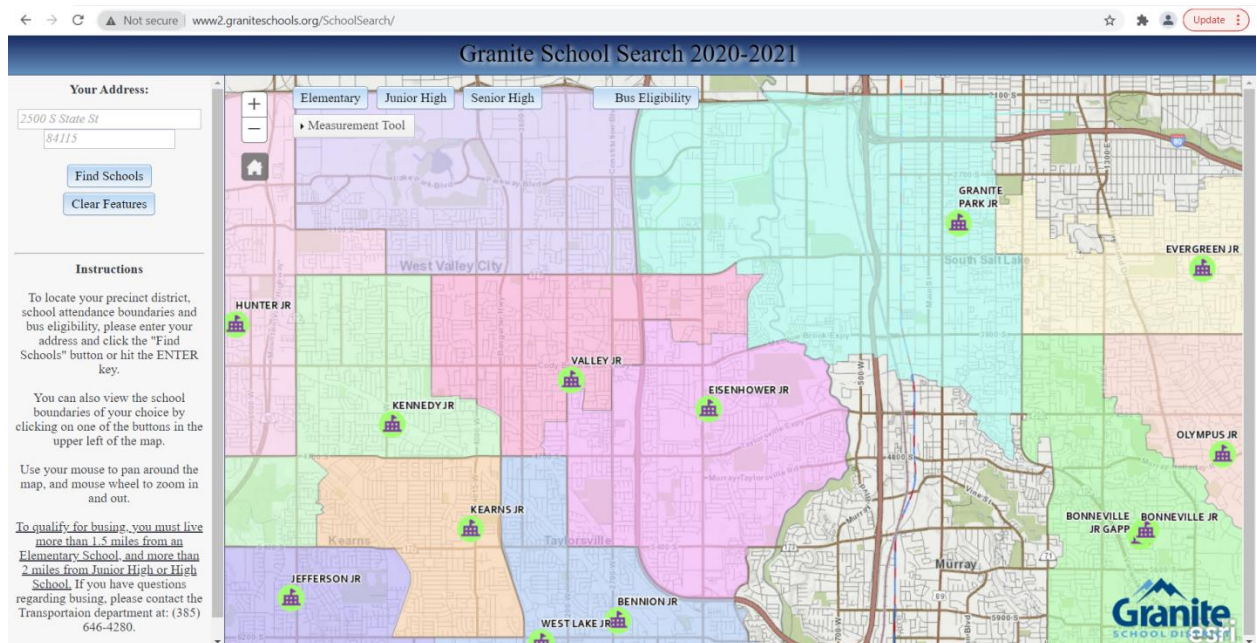

5. A box should appear on the right identifying which school district you live in.

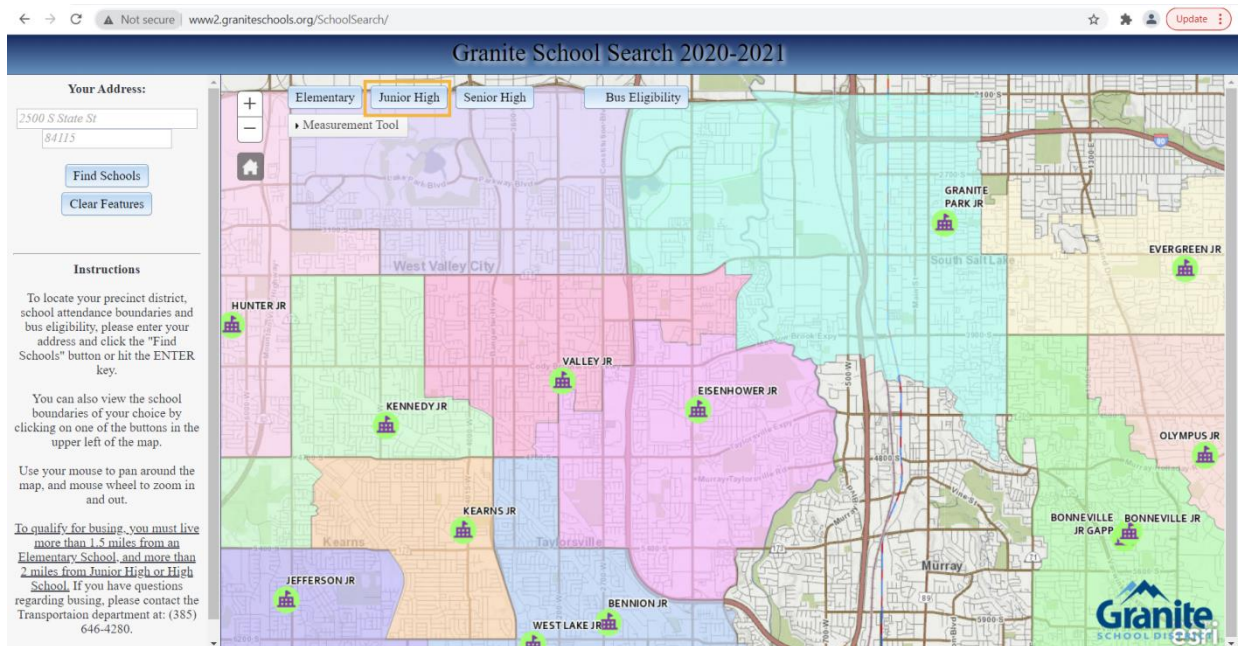

Find your School:

In order to determine which school boundaries you live in, open any web browser and go to:
www2.graniteschools.org/SchoolSearch/

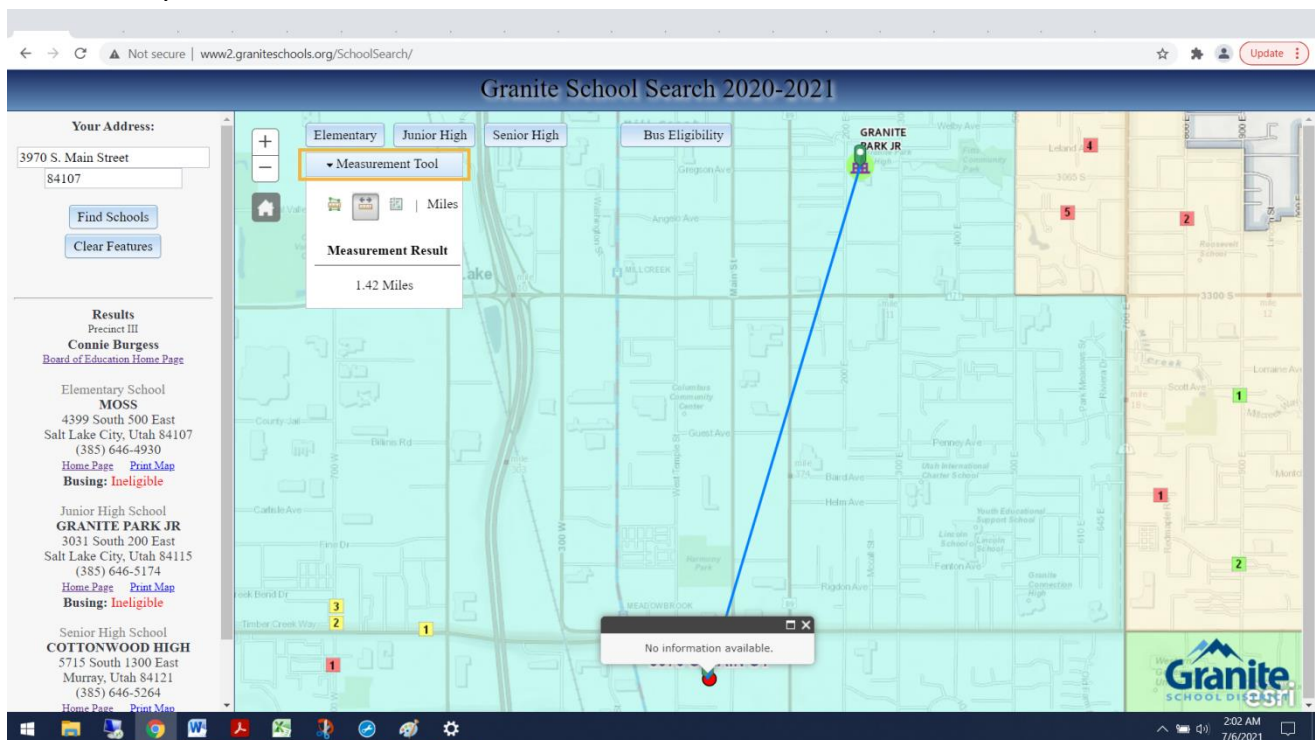

By default you will be greeted by a tapestry of different colors, these are school boundaries.

1. Click where it says Junior High. (Highlighted in Yellow)

2. Click find schools. You may need to zoom out, in order to find the school whose boundaries you live in.

3. If you are trying to see how close the schools are to where you live, there is a handy measuring tool built into the district's school search. Where you can click any two points and determine the distance in miles.

On the left side of the screen, underneath the your address box will be the results of your search, listing the elementary, middle, and high school boundaries that you live in and whether or not you are eligible to use the School's bus system as a means of transportation to and from the school.

To help you determine if you would like your child to attend their "home" School, check out www.greatschools.org.

From this website, you can input your address and see the schools closest to you by rating. The rating a school receives is the summary of the calculation of four ratings designed to show different areas of school success: student or academic progress, college readiness, equality and test scores. Student progress measures whether students are improving over time on an individual level and academic progress measures whether the school is improving as a whole using school level data. College readiness measures how well high schools are preparing their students for success in college and careers. The rating is based on high school graduation rates, SAT and ACT performance and advanced course information. The Equity Rating is designed to measure how well a school serves the academic development of disadvantaged students and is measured by progress gaps between disadvantaged students and non disadvantaged students, how disadvantaged students are performing based on student progress, academic progress and college and career readiness. The testing score measures academic proficiency using state test scores across grades and subjects. Together the ratings make up a score from 1-10 (1 being the lowest and 10 the highest).

Section 3: Enrollment

Now that you have decided which school you would like your child to attend, it is time to enroll them.

If this is your first time enrolling at a school in the Granite School District, you will need to go to the school in person in order to initiate the registration process. Regardless if you enroll in person or online, you will need to provide the following documentation:

- proof of residency (utility bill, lease agreement)
- Birth certificate (for each enrolling child)
- Immunization Record (for each enrolled child)

Each middle school in the district has slightly different dates that they are open to enroll new students. Generally the dates for registering new students start at the last two weeks in July and extend into the first days of August. Some schools may require you to “make an appointment” to enroll. This is done by contacting that school’s office. You can find the specific dates and times for your school by consulting their website or calling them directly. The websites and phone numbers for contacting the schools are listed starting on page 18.

Parent Portal:

After your student is enrolled in a school, and you have their student ID number, you can create a parent portal account. The Parent Portal will allow you to access information about all of your students and their schools including future registration access, payment and fee waivers, grade and attendance information as well as contact information for teachers.

In order to create a parent portal account, you must have students already enrolled in a school within the Granite School District.

1. Open any web browser

2. In the search bar type in: “portal.graniteschools.org”

The screenshot shows a web browser window with the address bar displaying "portal.graniteschools.org/LoginPolicy.jsp". The page has a blue background. In the center, there is a white box titled "Log in to Granite School District" containing the Granite School District logo. Below the logo are fields for "Username:" and "Password:", followed by a blue "Log In" button. Underneath the login fields, there are links for "Parents: Click here to create a Parent Portal Account", "Retrieve Username: Click here if you have forgotten your username", "Reset Password: Click here if you have forgotten your password", and "System Check: Click here to run a system check". At the bottom of the white box, it says "© Stoneware, Inc. 1999-2021".

3. Click create a parent portal account, you will need an email address and at least one of your children’s student ID numbers.

4. Fill out the form and click create account.

The screenshot shows a web browser window with the address bar displaying "portalaccount.graniteschools.org/AccountRegistrationForm". The page has a white background with the Granite School District logo at the top left. The main heading is "Parent Portal Registration". Below the heading, there is a paragraph explaining the purpose of the Parent Portal. Another paragraph states that the information provided must match the school's records. A third paragraph advises contacting the school if there are errors. Below the text, there is a registration form with the following fields: "*Contact First Name", "*Contact Last name", "*Email", "*Student ID", "*Student Birth Date" (with a date picker showing "mm/dd/yyyy"), and "*Desired User Name".

5. You will be sent an email that allows you to verify your account and access the system.

Registering a Previously Enrolled Student:

Your child's school may be participating in online registration via the Parent Portal here are the steps to follow in order to enroll.

1. Go to <https://portal.graniteschools.org>
2. Type in the username and password for your Parent Portal Account and click login.
3. Once logged in click on the icon "Registration"
4. A new tab will open, if your school is participating in online registration you will see all students attached through your parent portal for the upcoming school year.
5. On the screen you will see a list of district documents below each student name and ID, some school related forms that require a signature, and any other forms that need to be completed and then uploaded separately.
6. You will then click on documents that say required, when you click on the form a preview of the document will become available, if everything is correct, click on the button "Accept and Sign".

If the school has requested an external website you will only see the name of the external document highlighted in blue. You will need to click on the words of the document and complete what they are asking. Then come back and click the "Accept and Sign" button.

7. Once you have signed a document, you will see a check mark on the far right of the row indicating that the document has been signed.
8. After signing all district and school documents and paying any associated fees, you will be able to view your student's schedule.
9. In addition to viewing your schedule you can apply for fee waivers through the online registration process.

Open Enrollment:

If you want to enroll your children in a school outside of your home's boundaries, you will need to visit the school's main office in order to fill out an open enrollment application.

Open enrollment applications are accepted during two windows:

- December 1st through the 3rd Friday in February is the early enrollment period, and gives you the highest chance of acceptance
- After the 3rd Friday in February: Permits are considered based on the staff to student ratios, on a first come first serve basis

Once an application has been accepted, you do not need to reapply each year. You only need to reapply when your child has moved on from one level of schooling (i.e. from elementary school to middle school or from middle school to high school), your child is expelled or suspended, or the District determines that enrollment has exceeded the capacity of that school.

If you enroll at a school outside of your boundaries, you will be responsible for transporting your children to and from the school. **The school district does not provide bussing for students enrolled in school's outside of their boundaries.**

Section 4 Resources:

Now that your child(ren) are enrolled, there are resources that may be available to you through Granite School District:

Immunization exemptions: To receive a vaccination exemption form, the legally responsible individual who claims the exemption for the student must complete the online immunization

education module. The education module can be accessed by going to: <https://immunize.utah.gov/immunization-education-module/>. After the successful completion of the module you will be emailed a vaccination exemption form that you need to fill out and turn into the school.

Free and Reduced Lunch: Applications for free and reduced meals are able to be filled out online up to 30 days in advance of the start of the new school year. Fill out one application per family. If you do not have internet access, you can also go to your child's school in order to obtain an application. The Federal eligibility for Free and Reduced Meals changes each school year. Because of these annual changes, a new application must be submitted each year.

To apply online go to: <https://www.myschoolapps.com/>

The image is a screenshot of the MySchoolApps website. At the top, there's a navigation bar with links for Language, Help, and Contact, along with a user profile icon and an 'Update' button. The main banner features the 'MY SCHOOL Apps' logo and the headline 'Apply For School Meal Benefits The Easy Way'. Below the headline, it states: 'MySchoolApps is the fast and secure way to apply for free and reduced meals online. Click GET STARTED to find out if your District participates.' There are two buttons: 'LEARN MORE' and 'GET STARTED'. Below the banner, there are three key features highlighted with icons: 'Convenient' (checkmark icon) stating 'Applying online allows your school to process your application for meal benefits faster than ever before.', 'Secure' (lock icon) stating 'Your information is protected using the highest security standards in the industry.', and 'Worry-Free' (thumbs up icon) stating 'MySchoolApps walks you through the entire application process, ensuring it's complete and ready to submit.' At the bottom, there's a search bar with the text 'Find Your School District:' followed by input fields for 'Enter Zip Code' and 'or Select State', and a 'SEARCH' button.

Click on the blue “Get Started Box”

For questions concerning the application process or free and reduced meals contact: 385-646-5506

Transportation: To qualify for busing, you must live inside of the school boundary that you have enrolled in and live more than 2 miles from a Junior High School. **In order to obtain a school bussing schedule, you must contact your school directly.**

If transportation is an issue, the UTA may have routes that will get your children closer to their school. You can buy monthly passes for children 6-17 (or those still attending high school) for reduced rates. The passes can be bought online at: <https://www.rideuta.com/Fares-And-Passes/Buy-A-Pass>. Look for the “Youth Monthly Pass” for local busses and TRAX access and the “Premium Youth Monthly Pass” if your children also need access to the FRONTRUNNER.

Fees:

The following table lists the maximum amounts that may be charged per pupil for each activity, class, or athletics participation. **Actual Fees are determined by the local school.**

DRAFT 3/9/22

-----------------	------------

This amount is the maximum a student will be required to pay or voluntarily individually fundraise for each school year. This maximum fee cap applies to up to 3 co-curricular / extra curricular activities. Students who participate in activities beyond this limit may be subject to the full fee amount for these additional activities. The maximum fee cap does not apply to Overnight Student Travel, School Sponsored Admission Fees and required group fundraising.

Schedule of Non-Waivable Charges - The Board authorizes fines for damage caused to district property and for violating rules of conduct. Because administrative penalties do not implicate participation in school sponsored activities, these fines appear with other non-waivable charges on the Board approved Schedule of Non-Waivable Charges rather than on this Fee Schedule.

Pursuant to Utah Code 53G-6-704 and Utah Admin. Code R277-494, all home school, private school, and charter school students who participate in extracurricular activities must pay the applicable activity-specific fee(s) from above. For students who attend a charter school and participate in extracurricular activities, the charter school of enrollment must also pay a one-time annual school participation fee of \$49.00 to the school where the student is participating in the activity. Such students are not subject to the basic registration fee.

This Fee Schedule was approved by the Granite Board of Education on

*Please note: The fees schedule above is the final draft for the school year 2022-2023.

Fee Waivers: When enrolling at any school in the Granite School District you are able to fill out the application for a fee waiver. You will need to bring either: the three most recent pay stubs for everyone working in the household, a letter from Workforce Services which states you are on food stamps, or your last year's tax return. If your application is accepted all of the fees mentioned above will be waived.

Special Education Services (Section 504 Plans and IEPs)

Section 504 is the part of the Rehabilitation Act of 1973 which applies to persons with disabilities. Section 504 is a civil rights act protecting the civil and constitutional rights of persons with disabilities.

Section 504 states: "No otherwise qualified individual with a disability ... shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to any discrimination under any program or activity receiving Federal financial assistance."

An IEP is an "Individualized Education Plan" It is a legal document that identifies the special education instruction, support and services to help your child succeed in school.

For Special Education Services you may ask any teacher, administrator or counselor to request special educational services or an evaluation.

Once you have made the request, they will provide you with any paperwork and directions to continue the process.

Parent Consultant Serving Families in Granite School District

Email: cynthia@utahparentcenter.org

Phone Number: 385-646-4190 or 801-833-3825

The Utah Parent Center has partnered with Granite School District to provide free assistance to families of children with special educational needs.

If your child has special needs, so do you! The Parent Consultant serving families in Granite School District offers: Training, Information, Referrals and Assistance.

These services are offered to parents through the provision of one-on-one consultations by phone or in person, and group workshops and presentations.

Before School Programs:

Benion, Eisenhower, Granite Park Jr, Hunter Jr, Kearns, Kennedy, Matheson, Valley, Westlake middle schools all serve breakfast before school. It is typically served ½ an hour before school starts, but you can check with your child's school to confirm the exact time.

After School Programs:

Most schools in the district have multiple after school opportunities be they athletic, artistic, or academic in nature. The best ways to find out about them are to check your school's website and to keep an eye out for information brought home by your children. The school's websites are listed starting on page 17.

Appendix II: School Counselors, Social Workers, and Psychologists

Each school in the Granite school district has personnel specifically assigned to help you and your children establish healthy development and create positive boundaries around social, emotional and psychological health. These staff include social workers, school psychologists, speech language pathologists, and more.

Social workers and psychologists can provide counseling while providing social, emotional, and psychological support, they also help with IEP's and other accommodations, and can give referrals to outside resources.

Speech language pathologists help students with communication delays. They can help your children with literacy, fluency, articulation, and social communication issues.

Guidance Counselors help with academic and behavioral challenges.

Below is a list of all of the service providers within the middle schools in the district so you can easily contact them as needed. If no phone number is listed, contact your school's main office to determine the best way to reach these resources, or you can reach out to them via email.
